INTRODUCTION

Established in 1996, Nepalgunj Medical College (NGMC) was founded by a visionary group under Lord Buddha Educational Academy (LBEA) to elevate Nepal's medical sector. Affiliated with Kathmandu University, NGMC offers DM, MD/MS, MBBS, BDS, BSc Nursing, BSc. MIT & BSc. MLT courses. With dedicated faculty, NGMC focuses on producing competent and compassionate healthcare professionals. Recognized by key institutions, our graduates excel nationally and globally. NGMC's inclusion in the "World Directory of Medical Schools" opens doors to international exams like USMLE and PLAB, enhancing career prospects.

CHISAPANI CAMPUS (BASIC SCIENCE)

Chisapani Campus located in the scenic area of Banke. Our expansive 70-hectare campus provides comfortable residential accommodations and ensures your safety with round-the-clock security. Here, you'll find state-of-the-art laboratories, an extensive library, and multimedia facilities that enhance your learning experience. With advanced audio-visual equipment and reliable internet access, our educational resources go beyond traditional textbooks. Join us at Chisapani Campus, where the harmony of nature and education nurtures your journey towards excellence in healthcare.

TEACHING HOSPITAL, KOHALPUR

Kohalpur Teaching Hospital, part of Nepalgunj Medical College's Clinical Science Campus. With top-quality medical education, a cutting-edge 525-beds multi-specialty hospital, and over 125 faculty members and doctors, we offer comprehensive training for future healthcare professionals. Our focus on hands-on experience, community outreach, and continuous learning ensures our students are well-prepared for successful careers. Join us and become a part of shaping the future of healthcare.

HOSTELS

NGMC offers separate hostels for boys and girls, with a total capacity of 950 students across Chisapani and Kohalpur campuses. Each furnished double-bedded room includes study essentials and free wifi, while common areas feature recreational amenities. Our strict policy prohibits alcohol on premises, fostering a safe and conducive learning environment.

Where Education Transforms Lives.”*

PROGRAMS

DM / MD / MS

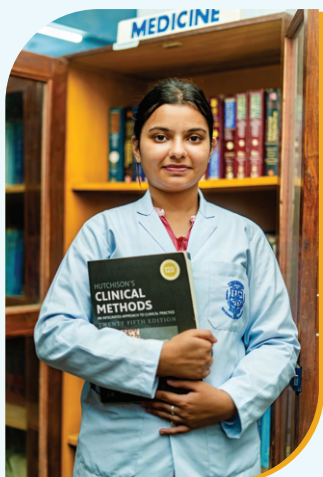

MBBS

BDS

B.Sc. NURSING

B.Sc. MIT

B.Sc. MLT

SESSION (MBBS / BDS)

The MBBS is a 4.5 years course with one-year compulsory rotational internship. The College follows the norms and standards of Kathmandu University, Medical Education Commission and Government of Nepal.

ELIGIBILITY CRITERIA (MBBS / BDS)

Student must have qualified 10+2, A Level or equivalent examination, with Physics, Chemistry, and Biology (PCB) securing a minimum of 50% in each PCB subject (which, in general, equals to minimum 'D' grades for International A Levels e.g., EDEXCEL/Cambridge) and 50% in aggregate.

ADMISSION PROCEDURE FOR UG PROGRAMS

The Medical Education commission conducts Medical Education Common Entrance Examination for Bachelor Level programs (MECEE BL) entrance exam every year. Students (Nepalese and foreign) have to qualify the MECEE BL. Admission is done on merit basis as per MEC guidelines. For more information, visit www.mec.gov.np

FOREGIN STUDENTS

Students must either qualify Medical Education Common Entrance Examination for Bachelor Level (MECEE BL) or must have recently obtained 50 % in their national level

common medical entrance exam of their respective countries, such as NEET for Indian students.

BACHELOR OF DENTAL SURGERY (BDS)

Nepalgunj Medical College is the first private medical college in Nepal, proudly offering a BDS program that stands as the only dental college in western Nepal. With experienced faculty, modern facilities, and hands-on clinical training, we are committed to producing skilled and compassionate dental professionals. Join us and be a part of a legacy in dental education and community service.
